

APPENDIX 5

OKI BICYCLE PLAN ADVISORY COMMITTEE

The OKI Bicycle Advisory Committee was organized to provide information, advice, and technical assistance to OKI staff in the preparation of the update of the OKI Regional Bicycle Plan. Their responsibilities include, but are not limited to, the following:

- § To participate in the meetings of the OKI Bicycle Advisory Committee
- § To assist with, and participate in, the public meetings for the Regional Bicycle Plan
- § To serve as liaison between their local community or the organization they represent and the Advisory Committee
- § To provide input to the plan development
- § To review the draft plan and make recommendations to improve and expand the bicycle transportation system in the OKI region

The following people were members of the Bicycle Advisory Committee. Bob Zuelke, a member of the Intermodal Coordinating Committee, served as the Chair.
